

AN ORDINANCE REQUIRING AND APPROVING A
SURVEY OF THE BOUNDARIES OF THE
CITY OF SANTA CLARA AND DIRECTING
THE PREPARATION OF A MAP SHOWING
THE BOUNDARIES OF THE CITY AND
OF ITS EXTRATERRITORIAL JURISDICTION

WHEREAS, Texas Local Government Code Section 41.002 provides that the governing body of a newly incorporated general law municipality shall adopt an ordinance requiring a survey of the boundaries of the municipality to be made; and

WHEREAS, the survey of the boundaries of the City has been prepared in accordance with the requirements of such section; and

WHEREAS, the city council has reviewed such survey and determined that it is based on the boundaries designated in the petition for incorporation of the City of Santa Clara;

NOW, THEREFORE, BE IT ORDAINED BY the city council of the City of Santa Clara, Texas, as follows:

1. A survey of the boundaries of the City of Santa Clara is hereby required.
2. The survey prepared by the Schultz Group attached hereto as Exhibit "A" and incorporated herein for all purposes has been prepared in accordance with the requirements of Section 41.002 of the Texas Local Government Code and is hereby approved as the official representation of the boundaries of the City of Santa Clara.
3. The field notes of the survey shall be recorded in the minutes of the municipality and in the deed records of Guadalupe County.
4. The Schultz Group shall prepare a map that shows the boundaries of the City of Santa Clara and of its extraterritorial jurisdiction. A copy of that map shall be kept in the office of the city secretary and in the office of the municipal engineer.

PASSED AND APPROVED this 13 day of October, 1999.
